Message from Inigo Woolf

The recent cold weather has brought home to me the plight of those who have failed to find a warm place to sleep. We know a number of schools have been involved in the night shelters that have been springing up around the Diocese and I do hope that during Lent many of you will be participating in The Bishop of London's Homelessness Appeal. Further information can be found at <https://www.london.anglican.org/homelessnessappeal>

Our GROW Education Partners brochure for services we are offering from April is being published next week and for those of you attending the Headteachers' conference next week we hope to have copies available.
