

LDBS Core Partnership Service: Secondary Schools

April 2019 - March 2020

LDBS Core Partnership Service Schools

LDBS Vision

The LDBS embraces the Church of England's Vision for Education which is deeply Christian, with Jesus' promise of 'life in all its fullness' at its heart. We believe in this vision of human flourishing for all, permeated by the key elements of wisdom, hope, community and dignity.

As a member of the Body of Christ within the Diocese of London, LDBS serves and supports schools confidently, creatively and compassionately in order that:
young people and adults develop spiritually, physically, intellectually, emotionally, morally and socially
pupils of all backgrounds achieve excellent outcomes to give them the best opportunities in life

At the LDBS we are there for you.

Our subsidised rates allow us to be responsive to the needs of individual schools and to support schools facing difficulties. We often provide additional help and advice at no extra cost to support those in need. Over time this assistance is provided equitably. Subscription fees from schools cover approximately one-third of the true expenditure. The remaining two-thirds of expenditure is covered by a grant from the Diocese and income from the Uniform Schools Trust (LDBS is sole trustee). This year we have included additional support provided by Grow Education Partners (our traded company) to assist you in determining the best support option for your school.

We look forward to working with you again this year.

Inigo Woolf, Chief Executive of the LDBS

The LDBS

- Works closely with the DfE, Regional Schools Commissioners and other Dioceses in order to represent the family of CE schools across London
- Fosters partnerships with LAs in the Diocese to facilitate the sharing of good practice and support
- Nominates members to all LA Education Scrutiny Committees and other statutory bodies to represent the interests of CE schools
- Promotes RE in all schools through direct involvement with the Standing Advisory Council for RE and Agreed Syllabus Conferences for each LA in the Diocese

Subscription fees for the core service 2019-2020 are:

- £10.95 per pupil per year up to the first 500 pupils on roll and £6.48 per pupil per year thereafter (as in the January School Census)
- Schools can pay annually or in three equal installments at the beginning of each term
- Schools paying in full for the whole year by the end of May will receive 1% discount

LDBS Complaints Procedure

In the event of schools being dissatisfied with any part of the service, a written complaint should be sent to the Chief Executive, Inigo Woolf. The Chief Executive will arrange for a senior officer of the Board to investigate and respond. If unresolved, a further level of arbitration will be established involving appropriate members of the Board.
